European Colorectal Cancer Awareness Month March 2019

Dear Friends and Colleagues

We are writing to ask for your help:
Today EuropaColon/Digestive Cancers Europe launched a FIRST.....

A Pan European Colorectal Cancer Screening Awareness Campaign! **European Colorectal Cancer Awareness Month** **#Mybest10seconds** **#ECCAM2019**

The aim of the campaign is to reach as many citizens across Europe to promote the importance of colorectal cancer screening for those over 50 years of age.

So if it is you then **Get Screened!** It only takes 10 seconds to do the test which could save your life!

If you are younger than 50 think about your family members, friends and colleagues. When you visit our microsite you will find a symptom checker and if you are experiencing any of the symptoms mentioned 50+ or not go and see

your family doctor.

It is our aim to reach over a million people in Europe and we can only do that with your help. Please spread the word!

If you have any questions please contact us on: info@digestivecancers.eu

Thank You,
